

Your Decorating Solution Appointment

Whatever your style, whatever your budget, I'll solve your decorating problems in about two hours. From flooring options to wall color to window coverings, lighting and décor accessories, let an expert decorator give you a plan to help you better use what you have and show you what you'll need..... all within your budget.

For the 2 Hour Decorating Solution, I will:

- **Focus on the major elements of home design including** - Lighting, Window and Floor Coverings, Color, Furniture Arrangement, Wall Decor and Accessories.
- **Recommend ways to better use what you already have.** I'll examine all of your options and give you a written design plan that will help you achieve the greatest impact for each decorating dollar you spend.
- **Help you avoid costly mistakes.** I'll recommend ways you can save time and money by telling you just what you need and where you can find it, all within your budget.
- The 2 Hour Designing Solution costs \$175
Call 910-599-6169 to schedule an appointment.

Our decorating solution appointment is easy because my decorating philosophy is simple- you shouldn't have to work at keeping your home stylish and comfortable. Your home should always work for you. No matter what style you choose or which colors you use, your home should always be comfortable, easy to maintain, easy to keep clean, and easy to keep looking great. Making the right decorating decisions is always less stressful for you and easier on your pocketbook!
